

Research Associate, North American Equities

Jarislowsky Fraser is one of Canada's leading investment firms. We manage the portfolios of pension funds, foundations, corporations and individuals in Canada, the United States and internationally — representing more than \$40 billion in assets under management. Headquartered in Montreal, we have offices in Toronto, Calgary, Vancouver and New York.

We are presently seeking a **Research Associate** to join our team in Montreal.

Position Description:

In this role, the Research Associate will work in a dynamic environment amongst a small group of highly trained professional analysts and portfolio managers. This position is regarded as a stepping stone towards increased responsibilities and incumbents will benefit from one-on-one coaching and mentorship.

Your responsibilities:

- Collect, analyze, and input company financial data
- Maintain database tables
- Build and update detailed financial models
- Other tasks required by the manager

The requirements:

- Strong analytical and accounting skills
- Excellent knowledge of financial modeling
- Strong written and communication skills, English and French
- Canadian resident or Canadian citizen (or a valid work permit)

Skills/Competencies/Attributes:

- Demonstrated PC literacy, including financial planning software and Microsoft Office
- Ability to work effectively in a team environment
- Self-starter, organized

Education/ Knowledge/Accreditations:

- Undergraduate or Masters/MBA (GPA > 3.0)
- Enrolled in CFA program (asset)
- Previously worked as research assistant with the analysts team in the banking sector (asset)

We wish to thank all applicants for their interest in applying for this position, however, only candidates selected for interviews will be contacted. Please send your CV and cover letter to cvrh-hrcv@jflglobal.com

WE ARE AN EQUAL OPPORTUNITY EMPLOYER.
